Please summarize your meeting in one paragraph:

Taxation and Government Finance meeting started out with a discussion on local city business license taxes. This Tax is a Flat Fee BLT and is inconsistent with the law, but is often not challenged by REALTORS and other businesses because the flat fee is so nominal that any apportioned fee is bound to end up more expensive and more difficult with which to comply. Then moving to Property Taxes and Parcel Taxes a motion to SUPPORT recording of all parcel taxes to the Board of Equalization "Passed". Then items were discussed for C.A.R. to hold a "Watch" status on a variety of bills that may or may not have any effect on our business.
