

Brian Gordon has a passion for real estate that steams from early childhood. After college, Brian worked for a few successful real estate investment firms then ultimately founded Lotus Property Services, Inc. in 2006. Lotus Property Services, Inc. is a property management firm providing comprehensive multifamily management services, asset management and investment planning. Lotus has now grown to manage over 2,500+ multifamily residential units and over 1 billion dollars of investment real estate. Lotus proudly employs 57 hard working professionals.

In 2012, Brian partnered to start First Reliable Maintenance, LLC as supporting company offering maintenance services for the property owners. This has grown to a multi-million dollar business employing 21 people who service the maintenance needs of property owners and various corporate accounts.

As an industry expert, Brian is an annual speaker at the Apartment Management Expo, Building Expo, writes monthly articles for the Apartment Age and Apartment Management Magazine and holds active memberships in various industry associations such as the Foothill Apartment Associations, Apartment Association of Greater Los Angeles and California Association of Realtors. Besides his professional designations and hobby of real estate investing, Brian is also a mentor for the Big Brother Big Sister program and member of the AACIT (Aero Association of Cal Tech / JPL).
