Weekly MLS Listing Marketing Meeting and Property Tour (Caravan)

Per CAR and CRMLS guidelines, we are temporarily cancelling our Wednesday Broker's Open Houses

Please read below for AAR's alternative to support our members

While we all are navigating the new guidelines as set forth by [CAR](#) and [CRMLS](#), we know that your business must go on.. Even though we temporarily can't do the Wednesday Broker's Open Houses we can still help you and your clients by marketing your listings! Here are the easy-peasy details:

- Send your CRMLS listing link(s) to CaravanRequest@TheAAR.com (only CRMLS listing links can be accepted at this time)
- The **deadline** to submit your CRMLS listing links will be the normal and customary time of **Tuesdays at 10:00am**
- We will compile the links and send them out to our membership database in lieu of the Wednesday Broker's Open Houses
- To be consistent with our temporarily postponed MLS Marketing Meetings, **this broadcast will be sent on Wednesday morning**

We hope this FREE service is a valuable benefit to you and your clients!
